Re: United States v. Brett Ofsink  
19-CR-290

Dear Judge Hurley:

My office represents Brett Ofsink who was scheduled to be sentenced before Your Honor on January 20, 2022. The Court has rescheduled the sentencing for March 1, 2022. Unfortunately, I will be out of state on a trip beginning February 28 and ending on March 8. This trip was rescheduled because of a prior conflict with a trial before the Hon. Joan Azrack. The defendant would respectfully request that the sentencing be rescheduled.

The Government is beginning a trial on March 7 and is therefore unavailable after my return. The defendant respectfully requests that the Court reschedule the sentencing for a date prior to my departure. I am available any time beginning the week of February 21, 2022, subject to the Government's availability.

Thank you.

Respectfully submitted,

*Stephen P. Scaring*
